Dear Oak Farm Families,

A school like ours is one in a million. Few can call such an incredible place their community and their children's home away from home.

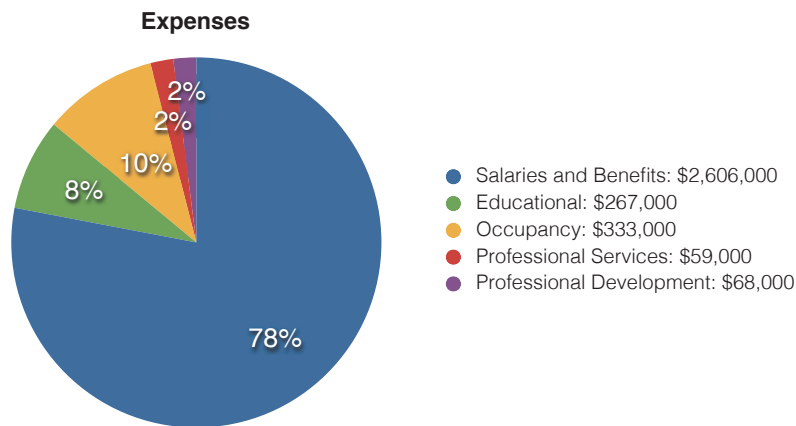

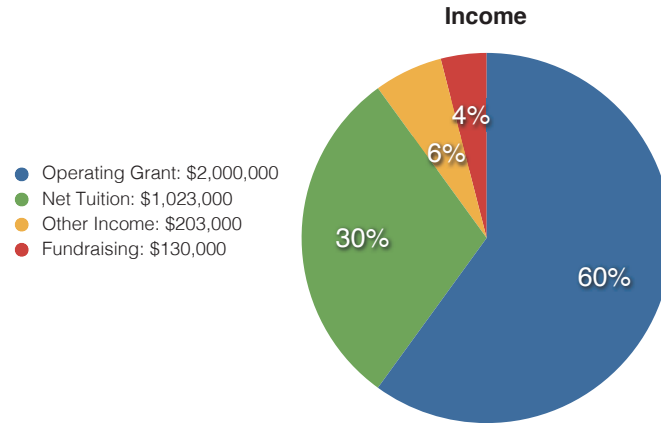

This year, we are *Reaching for the Stars*, working to build a bright future for our children and help Oak Farm reach all its goals. What our children receive from Oak Farm costs over **\$12,500** per child, while money raised from tuition covers only a **quarter** of those expenses. Funds raised this year will be directed towards our physical education and athletic programs, tuition grants, and our ecoliteracy program.

Together these programs cost *over \$850,000* a year. Help us keep them going strong by giving to the Tall Oak Fund today, or through the future Tall Oak Gala opportunities, such as underwriting or sponsorship. Make a donation by *December 16th* and *have your gift matched by an anonymous donor for up to \$2,000.*

Make your investment go twice as far in supporting Oak Farm!

Oak Farm Annual Operating Budget 2016-2017

Total Expenses: \$3,378,000

Oak Farm is strong because of support from the community and from **each of us**. Our ability to offer unparalleled outdoor and environmental education, hot lunch program, soccer, track and field, cross country, basketball, golf, gardens, trails, farm, greenhouse, Green Team, and **over \$700,000 in tuition grants** is thanks to the support of those who believe in us. Please consider adding your support by donating at the Gala or **before the December 16th** donation match deadline. Every single one of us, whether by one dollar or a thousand, can help us reach our goals this year!

In thanks,

Megan O'Sullivan
Head of School

THERE'S ONLY ONE
OAK FARM
GROW IT TALL
